Wa alaikoum Assalam,

Thank you very much for your feedback. There are still bits and pieces that still need some work, and content is still to arrive. Hopefully the committee has prepared some content to put up especially for ramadan!

Thank you for registering, and could you please inform our brothers and sisters about it and ask them to join!

In the meantime, if you have any suggestions or comments or face issues with the website please do let us know and we will do our best to satisfy you InchaAllah.
